

Forme Medical products are aimed to facilitate the work of medical practitioners...

The bambach chair is the **perfect solution** for people that needs to remain seated for extended, short and intermittent periods and adjusting position repeatedly. It has been designed to maintain the natural spinal curvature.

- Reduces back, neck and shoulder pain.
- Encourages upright posture by rotating the pelvis forward.
- Helps to prevent musculoskeletal disorders
- Decreases postural stress.
- Eliminates postural discomfort.
- Distributes the seating pressure over a larger area.
- Balance foot stance.

Conventional
stools

Bambach

Configure Bambach to your needs
